INTERNSHIP COMPLETION CERTIFICATE TO WHOMSOEVER IT MAY CONCERN

This is to certify that **Kunal Sharma** has successfully completed an internship as **Data Science & AI Intern** in the **Data Science & AI Department** at **Intelytica Business Analytics Pvt. Ltd.** The internship tenure was from **May 27, 2026** to **August 27, 2026**.

During the internship, **Kunal** demonstrated professionalism, commitment, and the ability to adapt to organizational practices and analytical tasks with efficiency.

Key Responsibilities & Contributions

- **Machine Learning Development:** Assisted in building, training, and evaluating machine learning models for real-world use cases.
- **AI Agent & Workflow Design:** Designed, built, and deployed AI agents and multi-agent workflows for automation and decision-support use cases.
- **Data Engineering & Analysis:** Worked with structured and unstructured datasets using Python, SQL, ML libraries (e.g., scikit-learn, pandas), and agentic AI frameworks (e.g., LangChain, LlamaIndex).
- **Exploratory Data Analysis:** Supported data cleaning, exploratory data analysis (EDA), and feature engineering tasks.
- **Cross-Functional Collaboration:** Collaborated with data engineers and analysts to translate business problems into data science solutions.
- **Documentation:** Documented experiments and model performance, and contributed to internal knowledge bases.

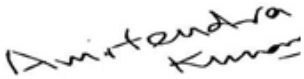

Internship Evaluation

- **Technical Skills:** Showed strong analytical ability, problem-solving skills, and eagerness to learn advanced ML and AI tools and methodologies.
- **Work Quality:** Delivered tasks with accuracy, attention to detail, and within given timelines.
- **Communication Skills:** Maintained clear communication, both written and verbal, in presenting findings and project outcomes.
- **Teamwork:** Worked effectively on team assignments, contributing ideas and participating in collaborative projects.

- **Professional Conduct:** Displayed dedication, discipline, and adaptability throughout the internship.

Overall, **Kunal Sharma** has successfully met the objectives of the internship program and has shown potential to contribute effectively in the field of Data Science and Artificial Intelligence. We wish him the very best in all future endeavours

Yours sincerely,
